SHARE YOUR PRESCHOOL

We still have space in our two's, one of our three year old rooms, and our PreK class. Our **$1,000** tuition incentive for referring LHP ends Oct 31st!

TEACHER PUMPKIN AUCTION

Our very talented staff will be displaying their very unique pumpkins during the week of October 19th, you can make your bids throughout the week, and vote for your favorite pumpkin. Bids close on 10/23 @11am. Winners will be contacted via Brightwheel. Funds from the Auction will go towards classroom supplies for our May 28th Literacy Walk (Open House Event).

DAY OF THE DEAD COMMUNITY ALTAR

During the week of October 26th, we will be honoring the lives of our departed loved ones by building a community altar in the courtyard. Please bring a framed picture/s of your loved one/s. Label the back of the frame so we know who to return it to.

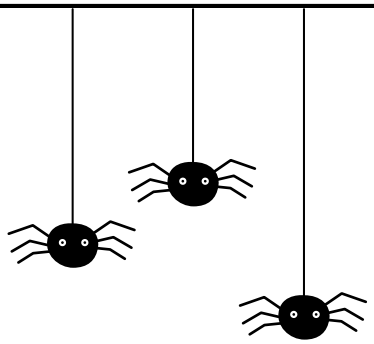

LOOKING AHEAD TO NOVEMBER

Our Scholastics Book Fair will run through the week of November 16th, 2026. Teachers will get a preview and create a class wishlist based on child interests. Throughout the week families can gift a book to the class so they can build their library. We will also need volunteers to run the register during drop off and pick up time. Signupgenius link will be sent out in the coming days.

HALLOWEEN PARADE

On 10/31 we will have our mini flash mob dance in the church courtyard at 9:45 am, and then make our way to the Halloween parade at 10am, at the LHS campus. Please join us! We'd love for you to join and help us cross the street!

HEALTH REMINDERS

The best way to reduce the spread of germs is to keep children home if they are sick. A child with the following conditions must stay home and rest:

- Fever (100.4 +) within 24 hours
- Medication within 24 hours
- Runny nose or heavy nasal discharge that cannot be contained (except for allergies)
- Rash
- Unusual crankiness
- Vomiting
- Diarrhea
- Ear or Eye Irritation that causes extreme discomfort

Please notify our Director, Lesley Diaz via call, email, or Brightwheel Admin message if your child is diagnosed with any illness, as we must notify other families to monitor for any possible symptoms.
