### SESSION 58

#### XII. OF THE HARMONY OF THE LAW AND THE GOSPEL

We believe that the law of God is the eternal and unchangeable rule of his moral government; that it is holy, just, and good; and that the inability which the Scriptures ascribe to fallen men to fulfill its precepts arises entirely from their love of sin; to deliver them from which, and to restore them through a Mediator to unfeigned obedience to the holy law, is one great end of the gospel, and of the means of grace connected with the establishment of the visible church.
