

Childcare Fees April 2026 to March 2027

Seedlings Day Nursery provides childcare as Funded, Full Day or Half Day sessions only. We close for the Christmas week, and so our funded offering for either 15 hours or 30 hours is stretched over 51 weeks of the year. To check your eligibility for funded hours, visit <https://beststartinlife.gov.uk>. As stipulated by the Department for Education, funded hours are limited to a maximum of 10 hours per day, and so depending on how many funded hours you are entitled to, you have two options from which to choose. Please be aware that Government funding is **only intended to cover the hourly cost of childcare for 15 or 30 hours a week**, it is **not intended to cover the cost of meals, snacks, refreshments, additional hours, additional services or activities** which help us deliver our extended opening hours along with the high-quality care and exciting experiences for all children at Seedlings Day Nursery. Please also refer to our **Charging Policy** and **Admissions Policy** on our website (https://www.seedlingsdaynursery.co.uk/about_us) for more details on how we deliver the funded hours at Seedlings Day Nursery.
