

RADU-MIHAI MIHAIL

Senator for Romanians Living Abroad

Head of Delegation of the Parliament of Romania to the OSCE PA

Radu MIHAIL is Senator in the Romanian Parliament for the 2020-2024 legislature, elected on behalf of the USR party and in continuation of his previous mandate.

Mr. Mihail represents the constituency of Romanians living abroad and is a member of the Foreign Affairs as well as the Romanians living abroad Committees within the Senate. Moreover, as part of the institution's representation at international level, Mr. Mihail is the President of the Senate's delegation at the OSCE Parliamentary Assembly. In January 2022, he was also appointed Special Representative on the Digital Agenda by the President of the Assembly.

Within the USR party, part of the ALDE family, Mr. Mihail is the Leader of the party's Parliamentary Group at the Romanian Senate. Previously, as member of the National Bureau and Responsible for International Relations, he has been a key actor in establishing relations with European political organizations and directly coordinated the effort of integrating the party within ALDE.
