SONG: Every Move I Make

Prop: Sound Streamers

(Music: upbeat 80s instrumental)

HOST 1 (huge energy): WELCOME TO THE ULTIMATE... DANCE-OFF!!! Where only ONE crew will prove they're the best!

(Crews hype themselves up)

CREW 1: We've got the best moves!

CREW 2: No chance- we're winning this!

HOST: Round 1. Neon Ninjas- SHOW US WHAT YOU'VE GOT!

(Crew 1 performs a short routine with a clear "signature move" at the end.)

HOST: OKAYYYYY that was STRONG! Alright, Moonwalk Masters- YOUR TURN!

(Crew 2 performs- different style, different signature move at end.)

HOST: OH SNAP!!!

CREW 1: Meh, not great.

CREW 2: Well, it was better than whatever THAT was.

HOST: Alright... FINAL ROUND. Give me EVERYTHING!

ROUND 2 (TOO COMPETITIVE)

(Both crews dance at the same time harder, trying to outdo each other.)

- Interrupting each other
- One-upping
- Getting a bit chaotic

HOST (slows, confused): Okay... hold up... hold up...

(Music cuts. Everyone freezes.)

HOST (steps forward): Why does this feel... kinda off?

(Beat)

Olio | Acting Scene

Everyone belongs. We were created to belong and help others feel the same.

(Looks at both crews.)

What if... it's not about being better than each other, but working together to be the best we can?

CREW 1 (thinking): Well... their move was actually kinda cool...

CREW 2: Yeah... and yours too...

CREW 1: What if we...

CREW 2 (grinning): Put them together?

HOST (excited): Now THAT I want to see!

(Music builds back in lightly)

- Crew 1 teaches their signature move
- Crew 2 teaches theirs
- They combine them into one routine

HOST: This is WAY better!

(Olio campers transition to opening positions for dance)

Every move we make together... can build something bigger.
