SONG: Let's Get Together (from the parent trap)

A couple of dancers walk onto the stage, nervous.

Dance Auditioner 1: How are you feeling right now?

Dance Auditioner 2: EEEEEERRRRGGGGG... (weird, nervous noise)

All dance auditioners but dance auditioner 2: Same!!!!!!

Dance Auditioner 3: I'm so nervous!

Dance Auditioner 4: This dance troop is supposed to be the best in the whole wide world!

Dancer Auditioner 5: I hope we make it onto the team!

Razzamatazz's dance team comes on stage.

Razz Leader 1: Woah. You think you guys are so hip that you can get on this team?

Razz Leader 2: Yeah, okay. Let's see what you all got. Try this!

Razzamatazz does a really big dance move for like 5 seconds (hip hop style). Shortly after, the dancer auditioners try it, but as a lyrical movement. Razzamatazz dancers laugh.

Razz Leader 3: HAHAHAH!! Boooooooo.

Dance Auditioner 2: Hey! Don't say that!

Razz Member 1: Yeah, that was some really cool dancing!

Razz Leader 4: But, can you even do our cheer?

Razz Leader 2: Yeah let's see you do that!

Razzamatazz does a really big, bold cheer. Shortly after, the dancer auditioners try it, but as an opera. Razzamatazz dancers laugh.

WE BELONG TOGETHER!

Razz Member 2: Woah that was awesome!

Razz Leader 5: Haha, well we've all decided on who we are going to let onto our team.

Razz Leaders: NO ONE!!!

Dance Auditioner 4: You know what? Fine!

Dance Auditioner 5: Yeah! We don't want to be a part of your dance crew anymore.

Dance Auditioner 6: After seeing what we can accomplish together at this audition, I think we can make an even better dance crew than you!

Razz Leaders gasp.

Razz Leader 1: You wouldn't dare!

Dance Auditioner 1: Oh yes we would. And our name will be...

Dance Auditioners (with flowy jazz hands): Razz-a-ma-tazz-ER!!!

Dance Auditioner 2: Because we can bring razz to the whole community and find where we belong without being mean

Dance Auditioner 3: And we may even let you all onto our dance crew, if you want to! We won't be as mean to our members as your leaders are.

Razz-a-ma-tazz leaders are shocked.

Razz Members: Okay! Yayyyy!!!

They all walk into their beginning positions smiling. Leaders hesitantly side eye, but then warm up and give the auditioners a hug.

Razz Leader 1: I'm sorry for being mean. Thank you for making a place where we can all belong together!
