The toys are having a meeting. Suddenly, a toy runs in from the house.

Lenny: QUICK! Andy's coming!

Everyone freezes immediately, creating this frozen tableaux
as their toy. Andy (a crew leader(s)) quickly investigates
the scene, and then leaves.

Mr. Potato Head: Is he gone?

Mrs. Potato Head: It looks like it!

Woody 1: Alright toys, gather around!

Woody 2: Andy is gone for the day, which means it's time for our community meeting!

Buzz 1: To infinity

Buzz 2: AND beyond...

Both Buzz's: in CLEANING!

Slinky Dog: Here we go again with the space monologues

Jessie: Y'all, lets stay on track! We need to figure out who's cleaning up tonight!

Rex: BUT what if I get picked and knock over something?!! Just like the lamp last night?!! I'm a cleanup hazard!!! Ughh....

Hamm: Just don't use your tail dino. Problem solved!

A new toy suddenly coughs on accident, bringing on attention from the other toys.

Buzz 2: Wait. Who are you?

Sparkle-Bot: Um... hi. I'm Sparkle-Bot. I'm new here... I was at the bottom of the toy chest. No one noticed me.

Buzz 1: OH! A new recruit! Welcome glitter droid!

Sparkle-Bot: Oh.. it's actually-

Buzz 2 (interrupting): -Well anyways, about our meeting...

The toys continue to argue about who will be doing the cleaning that night.

Mr. Potato Head: Even if I had 0 arms I would be better at cleaning up than you dino!

Rex (crying): WAHHHHH

Jessie: Calm down Rex.

Lenny: Would someone just seriously start cleaning up already?

Woody looks defeated. Suddenly, he realizes Sparkle-Bot is trying to say something.

Woody 1: STOP STOP STOP! This is havoc.

Woody 2: Sparkle-bot, do you have any ideas on how we can get this place sparkling?

Sparkle-Bot: Well.. now that you mention it... I do have some pretty cool features.

Sparkle-bot reveals his secret identity.

Sparkle-Bot (revealing): Technically my real name isn't sparkle-bot, that's just what Andy's parents call me. My real name is ROOMBA! I can make everything clean in an instant!

Jessie: Well yee haw!!! Looks like we've got a true toy on our hands!

Buzz 1: Sorry if we were mean before..

Sparkle-Bot: It's okay! I realize that everyone has a place they belong, just like me!

Woody 1: You're right! Everyone has a place they belong, and you belong with us!

Everyone begins to laugh and come together to start cleaning. All of a sudden, Lenny yells again and they get into their starting positions:

Lenny: Oh no, look! Andy's coming!!
