

# CRAFT | PROP BUILDING

## Olio Crews

### Objective

- To learn about prop building and how material can be sourced and manipulated to create a beautiful props design
- To create a practical, long-lasting prop that is used after showcase

### Supplies

- White fan veil for each camper
- Water
- Vinegar
- Empty spray bottle
- Fabric dye (red and yellow)
- Yellow and red sticker gems
- Marker

### Premade

1. Premix fabric dye in spray bottles some yellow some red.

### Instructions

1. Have campers write their name on the handle of the fan veil
2. Decorate base of fan using rhinestones, paint markers.
3. Campers decorate veil of fan using fabric dye spray.

# CRAFT | SOCK PUPPETS

## Parlando Crews

### Objective

To create a puppet like creation and put life into your character!

God created us all in the beginning- he created us all in his image! We all belong together, because we are all made by God!

### Supplies

- Felt sock puppet cutout (multicoloured)
- Red felt (for tongue)
- Fabric glue
- Glitter glue
- Pom poms
- Stickers
- Pipe cleaners
- Feathers

### Instructions

- Add googly eyes to your puppet- what do they look like? How many eyes do they have? Are they big or small? Do they pop out?
- Add some eyebrows to your sock puppet with glitter glue- do they have big or small eyebrows?
- Add a mouth to your puppet using red and/or pink felt- what colour is it? Is it long or short? Big or small?
- Add hair to your sock puppet- what type of hair do they have? Is it pipe cleaner hair, or feather hair? Is there a lot of hair, or just a little bit?
- Add a nose to your sock puppet with a pom pom- do they have 2 nostrils, or only one? How big is their nose?
- Think about something that you can add to your puppet to make it look more like your character. Does it have a cowboy hat? Does it have a little tail? Use some red/pink felt, pipe cleaners, or glitter glue to make your character come to life!

# CRAFT | SET CREATION

## Bombershay Crafts

### Objective

To work together to learn how a set is created, and how one can design a set to effectively portray a story with purpose and meaning!

### Supplies

- Paint (blue, black, white, brown, grey, red, yellow)
- Plastic sign material
- Door handles (6)
- Pipe cleaners
- Kraft paper roll (brown)
- Styrofoam round foam blocks (2-4)
- Wooden dowels (1-2)

### Instructions

- Create the LOCKERS (2 racks of 3 ideally):
  - Create using paint (blue/black/white) on cardboard/plastic material (same materials as the camp signs)
  - Attach handles with hot glue
- Create the HIGH SCHOOL BANNER:
  - Writing in black and white with pops of colour around
  - Name the high school
  - Create a chant/logo to put onto the school banner
  - Decorate with
- Gather and create props:
  - Weights (1-2):
    - Create using 2 styrofoam circular “plates” and 1 rod attaching them with hot glue
- Paint them with grey and black paint
- Nerdy Glasses (2-3)
  - create using 3 pipe cleaners

### School Lockers Cardboard Standup

Measures 6ft tall x 45"wide
