

TAKE ACTION SCRIPT | DAY 1

Supplies:

- her own flower craft (just the petals with writing, markers, glue dots, VERA's Playbill)

Camera zooms in on VERA as she is making her own flower craft.

VERA: O, hey there, VISTO Campers. I'm thinking of all of the things that I like about my family and I wanted to make them a flower, too.

See all of her flower petals laid out on the table with
things written on them. See her flower stem and glue dots
Just not glued together yet

I like it that ____

VERA shares one or two things that she likes about her family

Have you given your family your flower yet? That's your Take Action (Make arm clapping motion for Take Action) for today.

Can you please tell them what you like and are thankful for about your family? I think this is soooo important. Maybe we don't always share this; maybe we do all the time! But, it's never enough!!

Bring your Playbill to VISTO tomorrow and tell your Crew Leader that you gave the flower to your family.

See you tomorrow, my VISTO Friend!

WE BELONG TOGETHER!

TAKE ACTION SCRIPT | DAY 2

Supplies:

- marker box,
- VERA's Playbill

Camera zooms in on VERA as she digs around in her marker box.
VERA looks up into the camera.

VERA: O! Hey there, VISTO Campers! It's time to Take Action! (Make clapping arms for Take Action motion)

Call & Response: **WE ARE KNOWN, HEAR OUR SONG.
ALL TOGETHER, WE BELONG!**

Today's question is, What do you love doing with your friends?
"There are so many things that I love doing with my friends!

Do you like playing video games together?
Do you and your friends like drawing or biking together?
How about going to the skate park?

Inside your Playbill, write or draw three things that you love doing with your friends.

Remember that you belong with great friends. That means choosing good friends and being a great friend. Or maybe today was a reminder that I need to choose my friends more wisely and start new memories with them!

Bring your Playbill back tomorrow to show your Crew Leader.

I'm so glad that we are friends. See you at VISTO tomorrow! Bye!

WE BELONG TOGETHER!

TAKE ACTION SCRIPT | DAY 3

Supplies:

- audio sound of clapping and cheering

Camera sees VERA throwing the door open
and sliding dramatically into the room.

Hear the audio sound of clapping and cheering.

VERA says, "Thank you. Thank you. Thank you very much" and does a fun bow.

VERA slides toward the camera for a close up.

People feel special when they belong. Your Take Action, VISTO Campers, (Make arm clapping motion for Take Action) for today is that while you are at home, every time someone enters the room you are in, clap and cheer for them and say, 'Whoohooo! SAY THEIR NAME is in the room!'

Celebrate, clap, and cheer for each other like they are famous! Why not!?

Write the names of your family who you clap for in your Playbill. I can't wait to hear your stories.

Bring your Playbill back tomorrow and show your clap success to your Crew Leader.

Bye, everyone. I'll see you tomorrow, VISTO friends.

WE BELONG TOGETHER!

TAKE ACTION SCRIPT | DAY 4

Supplies:

- VERA's Playbill
- giant pencil

Camera begins zoomed in on VERA's Playbill page of the words: GOOD SAMARITAN.

Then zooms out to see VERA bending over with her giant pencil ready to write a word.

O! Hello there, Campers! Are you ready to find as many words as you can from GOOD SAMARITAN? GOOD! I mean, "Good" is a word I found! Do you have that one written down yet? G-O-O-D (spells it)

I am going to keep looking! O! I see SMART. S-M-A-R-T. I know that you are smart and will find lots of words.

If you have trouble finding words or need help spelling, ask your family to help you.

Write down all of the words you find in your Playbill and bring it back to VISTO tomorrow. Who will find the most? I'm up for the challenge!

Hey, Bombershay! I challenge you to see who finds the most words. I found forty words so far! Can you find that many, or more?

See you tomorrow, VISTO Campers. Bye!
