

BELONGING | WE BELONG TOGETHER!

Wrap Up Script | Day 3

(As Campers come into the room for Daily Wrap Up,
Host, Vesper and extra VISTO Staff clap and cheer for them.)

Host: Did we all have a fun day at VISTO?! What were some of your favourite parts of today? (Take a few answers, including one from Vesper - Vesper points out a camper that was welcoming in their favourite part)

We learned today that you belong when you welcome others in. Did you all feel welcomed into the rehearsal hall just now? (Wait for a response) That's awesome! We all belong together.

Call & Response WE ARE KNOWN, HEAR OUR SONG. ALL TOGETHER, WE BELONG!

I'm excited for your Take Action today. (cue Take Action hand motion) You get to clap and cheer for your family members like they are famous every time they come in the room, just like some of the VISTO staff cheered for you when you came in here.

Vesper: What if I'm in the bathroom brushing my teeth, and my brother comes in to brush his teeth too?

Host: You know what, Vesper? I want you to stop brushing and cheer and clap for them, even if you have toothpaste foaming all over your mouth! Got it? (Vesper reacts dramatically)

Write the names of the family members you clap for in the clapping hands hand-out in your Playbill. Bring your Playbill back tomorrow and show your Crew Leader who you got to welcome!

Does anyone remember what's happening on Friday?! That's right, Showcase (jazz hands) and the BBQ! Invite your family and friends! Make sure your grandma, parent, friends have their food order in!
