

BELONGING | WE BELONG TOGETHER!

Wrap Up Script | Day 2

HOST: What a special day, VISTO Friends! You belong with great friends. I know the best of friends are made here at VISTO!

Would anyone like to share how someone was a great friend to them today? Did someone help you or encourage you?

Special Note for the Host:

Edify both Campers, the one who shared for speaking kind words about what their friend did and the one who was a good friend for being loving and kind to others.

Call & Response **WE ARE KNOWN, HEAR OUR SONG. ALL TOGETHER, WE BELONG!**

Thank you, Campers, for being great friends to each other so far during this week at VISTO.

Remember your Take Action for today? (cue Take Action hand motion)

Inside your Playbill, write or draw three things that you like doing with your friends. Bring it back tomorrow to show your Crew Leader.

The Showcase (jazz hands) and BBQ are coming up on Friday! Invite your family and friends! Remind your parents to sign up for your VISTO hotdogs and drinks so that we know how many hotdogs to make. And be sure they order their food too!

Have the best VISTO night, campers! We'll see you tomorrow.

Finish with camp song or camp dance.
