

Take Action Script | Day 1

Supplies:

- a plastic bag,
- 2 or 3 unique things from nature

VERA

Wasn't it amazing to hear how God created everything?!

He made the day and night, the land and the sea, the sun, moon, stars, and the plants and animals, and you and me in six days?!

Wow! God is creative!

Everything He made, He said, "IT WAS GOOD!" (shouts it out)

Do you remember what He said about the people He made? IT WAS VERY GOOD! (shouts it out with a jump)

Your Take Action for today is to bring 3-4 things in nature that you find interesting and unique. Put them in a plastic bag and bring them to VISTO tomorrow to show your Crew Leader.

I'll see you tomorrow, my VISTO Friend. Bye!

Take Action Script | Day 2

Supplies:

- a vacuum cleaner

VERA:

Camera catches VERA dancing as she is vacuuming. Her back is to the camera until she turns around. She acknowledges the camera is watching her, turns off her vacuum, and dashes toward the camera.

Hey there, my VISTO Camper pals! Guess what I'm doing?! I'm being creative by making up new dance steps while I vacuum!

Wanna see my new moves?! (VERA does a fun dance step.)

What is something you do every day like brushing your teeth, feeding your dog, or driving in the car, that you can turn into fun? Go do it in a creative way.

Write down in your Playbill what you did and the fun way you did it. Bring your Playbill back to VISTO tomorrow and tell your Crew Leader how you were creative.

Got to get back to my vacuuming and dance moves!
I'll see you tomorrow, VISTO Friend. Bye!

Oh! Hi there, Campers. Wasn't VISTO AWESOME today?! (Hold out V-shaped fingers.)

Have you shown a family member your gifts and talents button?!

Did you ask them what their gift or talent is and how they use it to help others?
