*VERA is baking Christmas cookies.*

Mmm mmm mmmmm- oh, Hi VISTO Campers!!!

I'm just making some Christmas cookies with my family for the holiday and wondered - what are you doing to celebrate Christmas with your family?

Spending time with people we love can bring so much JOY to our lives during the holiday season, especially when we remember the family that God created for us when baby Jesus was born!

Now it's time to TAKE ACTION!!

For this holiday season, we invite YOU to think of ways that YOU can bring joy to others- just like Jesus does for each of us.

Maybe you will bake some Christmas cookies with your family, or give your friend a Christmas present, or even take a moment to pray for someone around you! Write it in your Take Action Playbill to show us when you come back to camp!

We miss you VISTO campers and are so happy to spend time with YOU during the year! Yay to our VISTO 2025 family!!

See you soon VISTO campers!!
