

# GAME | The Great Challenge

## Theme: Creation Story (Genesis 1)

**Instructions:** Campers will be split into 6 groups, mixing the sections among them and assigning each group to a NEW day of creation (day 8-13). Each team gets a random bag of props and twenty minutes to create a new “Day of Creation.” They must show how God might create something totally unexpected (e.g., “On Day 9, God created laughter!”) using their props creatively. The desire is to help students think like creators and explore how God’s creativity is limitless.
