Parlando | From Stuck to Dreaming

SONG: Nothing is Impossible

Props: Dream Ribbons Wristbands

Setup

Campers start scattered around stage in small groups or alone.

Everyone is doing repetitive “stuck” motions:

- walking in a small circle
- tapping foot
- flipping a book page repeatedly
- staring at phone/watch
- pacing back and forth

Movement loops continuously while dialogue begins.

Lights up. Campers continue repetitive motions.

Camper 1: Have you ever had one of those days... where everything feels the same?

Camper 2: Same routine.

Camper 3: Same problems.

Camper 4: Same thoughts.

Camper 5: And it feels like nothing is changing?

Campers freeze.

Camper 6: But what if we're not meant to stay stuck?

Camper 7: What if God has something bigger for us?

Campers slowly begin moving again - more open, thoughtful movement.

Camper 8: What about those ideas you have?

Camper 9: Or things you've always wanted to do?

Camper 10: Or dreams you've thought about for a long time?

Camper 11: What if God put those dreams in your heart?

Camper 12: And wants to help you grow them?

Movement becomes more intentional - reaching, stepping forward.

Camper 13: Sometimes we forget that.

Camper 14: We look at what's hard.

Camper 15: Or what feels impossible.

Camper 16: We start thinking,

Camper 17: "There's no way I can do that."

Camper 18: But God can do amazing things.

Movement becomes stronger and more confident.

Camper 19: The dream is still there.

Camper 20: And it can keep growing.

Camper 1: When we trust God...

Camper 2: We realize we don't have to have everything figured out.

Campers step into strong, forward-facing positions.

Camper 3: We can keep trying.

Camper 4: Keep growing.

Camper 5: Keep dreaming.

Camper 6: Because after all...

All Campers (strong): A dream is a wish your heart makes!
