

DREAM | DREAM BIG!

Wrap Up Script | Day 2

HOST: What a great day, VISTO campers!

Call and Response **Dream big, dream small... trust God through it all!**

Today we saw that sometimes life doesn't go how we expect.

Joseph had big dreams... but then he ended up working for Potiphar and even in jail. And still - God was with him.

In your small groups, you talked about this question: What is a challenge I'm glad I got through? Even when things feel confusing or unfair and you're faced with challenges - God is still working in your story, and he provides people and encouragement to help you through.

Let's take a quick moment - stand up! Turn to someone near you and share one moment from today you enjoyed. (quick share)

Remember your Take Action for today? (cue "Take Action" motion)

Tonight, reach out to someone who encourages you - someone who helps you keep going when things are hard.

Call them or talk to them, tell them thank you, and write their name in your Playbill. Bring it back tomorrow and share who you connected with.

You are doing such an amazing job diving into this week.

Let's wrap up all together with our camp song and be reminded that our dreams, no matter the size, can come true when we believe!

(Sing camp song)

See you tomorrow!
