

DREAM | DREAM BIG!

Wrap Up Script | Day 3

HOST: Did you have a fun day at VISTO?! (Hold out V-shaped fingers)

Today was a BIG one. Does anyone want to share some of their favourite parts of today? (Take a few answers including one from Vesper - a camper helping someone ideally)

We saw how Joseph used his gift - not just for himself, but to help others. God gave Joseph the ability to understand dreams, and because he used that gift, he helped save an entire nation.

In your small groups, you asked: How can my dreams, talents, and gifts help others? And we learned that God gives us tools, like prayer and the Bible, to help us understand what to do with those gifts. I don't know about you, but I think that deserves some celebration! Everybody up - Dance Party!

(Quick dance party to the song "Better When I'm Dancing")

Amazing. Can someone remind me of our Take Action today? (cue "Take Action" motion) That's right! Tonight, use one of your gifts to help or encourage someone at home. That could look like:

- helping without being asked
- encouraging someone with your words
- performing something
- making something for someone
- or simply making someone feel included

Be ready to share with your crew leader and your crew tomorrow! You are not just dreaming for yourself - your dreams can impact others. **Dream big, dream small... trust God through it all!**

Our last note for today... does anyone remember what happens on Friday? Showcase (jazz hands) and our BBQ! We're going to show all of our friends and family what we've been learning this week! And the BBQ will be a great time to enjoy some food with your loved ones, so ask your grown-ups to order you hotdogs and drinks before Friday.

See you tomorrow, superstars!
