

DREAM | DREAM BIG!

Wrap Up Script | Day 4

HOST: What an incredible day at VISTO! (Hold out V-shaped fingers) Does anyone have any favourite parts of the day? (take a few answers)

Today we saw something powerful in Joseph's story. After everything he went through - being hurt, betrayed, and treated unfairly - God still used his story for something good.

Joseph chose forgiveness. Joseph chose to trust God. And God used that to change everything and to prepare Joseph for the future, even in challenges.

In your small groups, you talked about: How can God help me with challenges in the future?

Now campers — listen up, because this is important! Tomorrow is SHOWCASE DAY! (jazz hands) This is your moment to:

- share what you've learned
- show your families your hard work
- and celebrate everything from this week

Your family and friends are invited to come watch and we also have our BBQ before the show! Make sure your families:

- know the time
- are signed up for food
- and are ready to cheer you on!

Also, remember to wear your VISTO shirt tomorrow for the Showcase, so we can look like one big theatre company on stage!

Remember your Take Action. (clap motion)

Tonight, share the Joseph sketches you made during your Small Group time with someone at home. Tell them what you've been learning at VISTO; we can dream big and trust God with our dreams, and even help others with our dreams!

We are SO excited for tomorrow. Rest up, bring your energy - and get ready to shine.

See you tomorrow!
