*VERA is doing an Easter Egg hunt and is hopping around like a bunny.*

Hop hop hop- oh, HI EVERYONE!!! VERA here from ViSTO Camps!!!!

Right now I'm doing an Easter Egg hunt with my family, and I'm trying to find the Golden Goose Egg. The Golden Goose egg contains the most chocolate of all!!

I just hope I don't get a tummy ache when I find it!

Easter is one of the best holidays ever! You get to do fun things like egg hunts and treats—but most of all, we remember how Jesus gave His life for us and came back to life! He did this so we can be best friends with Him forever. Now we get to know that He is always with us, no matter what.

Isn't that crazy! Jesus and God are so COOL!!

Now campers, it's time to TAKE ACTION!

Campers, over Easter, take a moment to look at all of the nature and life around you ! Have you spotted any animals, like rabbits or deers? Did you see any really pretty flowers? Make sure to write and draw what you saw in your TAKE ACTION playbill! And write "thank you Jesus!" in your playbill too.

Now, I'm off to find that golden goose egg!

Oh, and don't forget!! Get signed up for VISTO 2026 – we would love to learn more with you this summer!!
