Oh!!! (spitting out her toothpaste) Hi everyone!

VERA here! Can you believe it - it's so close to the first day of school- it's so exciting!  
And a bit scary...

And even though it feels a bit scary, we know that we can look to our families, friends, and God when we are feeling scared! He knows and he wants to hear from us.

Also, we can be strong friends and leaders - just like we learned at VISTO's "Go the Distance" Camp Week this summer!

We at VISTO miss you all SO SO MUCH and we're SO happy to have spent an awesome week at camp with you!

We look forward to seeing you again soon campers!! Have a great week back to school; we're praying for you & believing in you 100%!
