

GO THE DISTANCE

From: Hercules

verse

I have often dreamed of a far off
place
Where a hero's welcome would be
waiting for me
Where the crowds will cheer when
they see my face
And a voice keeps saying this is
where I'm meant to be

Like a shooting star
I will go the distance
I will reach the world, I will face its
harms
I don't care how far, I can go the
distance
When I go the distance
I'll be right where I belong

chorus

I'll be there someday, I can go the
distance
I will find my way if I can be strong
I know every mile will be worth my
while
When I go the distance, I'll be right
where I belong

Belong

verse

Down an unknown road to embrace
my fate
Though that road may wander, it will
lead me to you
And a thousand years (and a
thousand years) would be worth the
wait
It might take a lifetime, but somehow
I'll see it through

chorus

And I won't look back, I can go the
distance
And I'll stay on track, no, I won't
accept defeat
It's an uphill slope, but I won't lose
hope
'Til I go the distance and my journey
is complete
