

# GAME: Spirit Olympics

## Finding Our Identity in God

**Purpose:** This game is designed to strengthen the learning campers have been doing through the week of finding our identity in God by becoming more like Him through the fruits of the spirit.

### Supplies

Prints of the fruits of the spirit

### Time

5 minute explanation  
20 minute creation  
20 minute presentation

### Instructions

Campers will be split into 6 groups, mixing the sections amongst them. Each group picks a random fruit of the spirit from a bowl and creates a hilarious sports-style event that exemplifies this character trait. For example, a “patience marathon” where contestants wait in long lines while staying joyful! Students will create the event and then act it out for the other groups, able to add in hosts and players-whatever they want to create a fun, engaging experience for all involved in the team. The hope is that it turns Jesus’ character traits into fun, real-life applications!

UNIQUELY ME!

Choosing to care for others deeply, even when it's hard. Love puts others first and shows kindness, patience, and forgiveness in action.

### 4. Patience

The ability to wait without getting angry or upset. Patience means staying calm when others take longer, or when life doesn't go your way.

### 5. Kindness

Being caring, helpful, and friendly to everyone - even when they don't expect it. Kindness is choosing to be a blessing to others through your actions and words.

### 6. Goodness

Doing what is right and fair, even when no one is watching. Goodness comes from having a pure heart that wants to please God.

### 7. Faithfulness

Being someone others can trust, and staying true to God no matter what. Faithfulness means sticking with your promises and being loyal.
