

UNIQUELY ME! | ACTING COMPONENT

Bombershay | Acting Scene

I was once sad and lonely,
Feeling no one there to comfort me,
So I wore a mask that always smiled,
To hide my feelings behind a lie.

I was once alone in doubt,
A deep hole in my heart
Inside I still felt empty,
Like I was missing a part of me.

Nobody could hear my cries at night,
For I designed my mask to hide the lies.
Nobody could see the pain I was feeling,
For I designed my mask to be laughing.

Day by day
I was slowly dying.
I couldn't go on,
There was something missing..

So I took off the mask
And realized who I'm meant to be
And opened my heart to

Love
Family
Friends
God
Hope
And Dreams

I'm no longer in doubt
I've broken open, free!

Because who I am underneath this mask is who I'm meant to be
