BOMBERSHAY | Live Performance Script for Students: “The Mask” + Try Everything

Spoken Word Performance (Students)

Camper 1:

I was once sad and lonely. It felt like no one was there to comfort me.

Camper 2:

So I wore a mask that always smiled...To hide my real feelings behind a lie.

Camper 3:

I felt empty inside.Like a part of me was missing.

Camper 4:

No one could hear me cry at night.I made my mask too good at hiding the truth.

Group (together):

Day by day... I was slowly fading.Something was missing.

(Short pause. Lights slowly brighten.)

Camper 5:

So... I took off the mask.

Camper 6:

And I saw who I really am.

Camper 7:

I opened my heart...

Group (alternating voices or all together):

To Love. To Family. To Friends. To God. To Hope. To Dreams.
