Look at them—some are stars, some are hearts, some have sprinkles!

MAX

(sniffing the air)

Mmm... cookies! I LOVE cookies!

TALIA

Me too! Can we try one?

JASPER

Cookies are my favorite food—after pancakes!

UNIQUELY ME! | ACTING COMPONENT

EVERYONE

(cheering, pretending to gather around)

YAY COOKIES!!!

LUNA

Okay! Everyone take one cookie!

SAM

One per person—no cookie snatching!

EVERYONE

(pretend to take cookies and look at them proudly)

Wow! Look at mine!

MAX

Mine is a circle with extra chocolate chips!

TALIA

Mine is shaped like a heart!

JASPER

Mine looks like a dinosaur head!

CAMPER #1

Mine has sprinkles on top!

CAMPER #2

Mine's shaped like a star!

ZOE

(from the group)

Wait... none of these look the same!

UNIQUELY ME! | ACTING COMPONENT

MAX

Yeah! They're all different!

LUNA

Did we make a mistake?

THEO

(walking in, smiling)

Not at all! You made something really special. Just like God made you special.

TALIA

So the cookies are all different... on purpose?

THEO

Yes! God made people like that too. No two people are exactly the same.

JASPER

That means... I don't have to try to be like someone else?

THEO

Nope! You can just be you! That's what God wants!

ZOE

That's like the bare necessities!

THEO

Exactly. Just be who God made you to be.

EVERYONE

Let's sing it!

Cue "The Bare Necessities"
