

# WRAP UP SCRIPT | DAY 2

## Host:

What a day! Day 2 of VISTO! (Hold out V-shaped fingers. Wait for a response from the Campers) Let's wrap up the day...

Call & Response: **Uniquely Who? You. Uniquely We? Me.**

Look at your neighbour and get your best British accent ready.

Tell them, "You have purpose with important things to do." Give them a high five.

Who wants to share their favourite part of VISTO Camp today?

Now, let's get ready to "Take Action".

Clap hands together in Take Action motion.

We are going to Tic Tac Toe Today! One person is X and one person is O. Who will be the first to get three in a row? Bring your Playbill back tomorrow and show your Crew Leader to celebrate how you helped others.

Who is going to join you? I am planning to invite my \_\_\_\_\_ to join me!

Now, please show me those Take Action Today wristbands (hold up arm) and let's pray while we hold that arm up high,

Dear God, thank you for today. Thank you for reminding us we are amazing, wonderful and have important things to do. Sometimes, God we don't always feel like this but your Bible says it's true! And God I know I want to be more like you. So, help us remember to Take Action today and help me grow even more. Thank you for music, ability to move, dance & act too. Amen

The Showcase (Jazz hands) and BBQ are coming up on Friday! Be sure to invite your family and friends! Remind your parents to sign up for hotdogs and drinks so that we know how many VISTO ogs to make.

See you tomorrow, Campers!

Sing camp song together!

**UNIQUELY ME!**
