Camp Dance | Best Day Of My Life | American Authors

Have you ever had a day you wished would never end?

Maybe it was your birthday, a family vacation, scoring the winning goal, or simply spending time with people you love. Those days fill us with happiness.

This week we've discovered something even better than having one great day. We've learned that knowing Jesus gives us a joy that lasts longer than one exciting moment. When the angels announced that Jesus had been born, they called it "good news of great joy for all people!" From the very beginning, Jesus was worth celebrating.

As we dance, let's celebrate the greatest reason for joy-Jesus. Because of Him, every day can be a great day.

Camp Song | This Is Me | The Greatest Showman

Sometimes people wonder if they're enough.

Am I good enough?
Do people like me?
Do I belong?

This week we've heard story after story of Jesus welcoming people, loving them, helping them, and inviting them to come closer. Jesus didn't wait for people to become perfect before loving them- He loved them exactly where they were.

That's something worth celebrating.

When we sing This Is Me, remember that Jesus knows exactly who you are, loves you deeply, and invites you into a relationship with Him. You don't have to pretend to be someone else- you can come just as you are.

Olio | Everything Is Awesome | The Lego Movie

Have you ever noticed how much more fun things are when everyone joins in?

Playing games.
Building something together.
Singing.
Dancing.
Laughing with friends.

This song reminds us that joy grows when we share it. Everywhere Jesus went, He invited people to celebrate, helped those who needed it, and made others feel loved. He didn't keep joy to Himself-He shared it!

So while we sing today, let's remember: everything feels more awesome when we choose kindness, include others, and celebrate together!

Can you turn to someone beside you and say,
"I'm glad you're here!"

Parlando | Start The Party | Orange Kids Music

Who thinks parties are exciting?
Usually there's music...
friends...
games...
and lots of laughter!

This week we've learned that Jesus invites everyone to His party- not because we've earned an invitation, but because He loves us. When Matthew was invited by Jesus, he was so excited that he threw a huge celebration for all of his friends!

That's why we're singing Start The Party! Today we're celebrating that knowing Jesus is worth celebrating, and there's always room for one more person.
So let's bring big energy, big smiles, and invite everyone to join the celebration!

Bombershay | Good Day | Forrest Frank

Life isn't perfect every single day. Sometimes things go wrong. Sometimes we worry. Sometimes we have hard days.

But this week we've discovered that joy isn't just about everything going perfectly. Jesus invites us to come to Him with whatever we're carrying. He promises to give us rest, to walk with us, and to help us through every season. That's the kind of joy that lasts.

So when we sing Good Day, we're not pretending every day is easy.

We're celebrating that no matter what kind of day we're having, we can still have joy because Jesus is with us.

That's always a good reason to sing.
