

CRAFT | Joy Zappers and Light Domes

Parlando Crews

Objective

Sometimes joy can feel hidden by difficult circumstances, distractions, or negative thoughts. The good news is that true joy isn't something that can be stolen- it comes from knowing that we are loved by God and invited into His story. Today, students will create a reminder that they belong, are valued, and always have a reason to celebrate the joy God has placed in their lives.

SUPPLIES - CREW 1

- White toothbrush carrying case (1 per 2 students)
- Clear plastic tubes/travel container (x1 per student)
- String lights (x1 per student)
- Electrical tape
- Joy Zapper label (x1 per student)
- Cyanoacrylate Glue (super glue)
- Pearl stickers
- Tissue Paper squares
- Mod Podge/White Glue
- Paintbrushes

SUPPLIES - CREW 2

- Plastic Dome Display Case (x1 per student)
- Tissue Paper squares
- String of lights (x1 per student)
- Mod Podge/White Glue
- Paintbrushes
- Decorating Supplies (stickers, gems, permanent markers)

CRAFT | Joy Zappers and Light Domes

Parlando Crews

CREW 1 - JOY ZAPPERS

Campers will be given a white handle base that they will be transforming into their joy zapper. They will put string lights into a plastic tube and attach it to their water guns once they are done decorating the base with electrical tape, plastic pearl stickers and a 'Joy Zapper' label. Once attached, they can use glue and tissue paper to cover the outside of the clear tube.

CREW 2 - JOY LIGHT DOMES

Campers will add a string of lights to the inside of the dome, adhere the dome shut, and attach the pack to the outside so they can turn their lights on and off onstage. Using the tissue paper, campers will glue pieces to the outside of their dome to cover the surface. Campers will also have additional crafting supplies that they can use to decorate the base of their dome.
