

GAME | THE JOY AWARDS

Purpose

Throughout this week, we've learned that true joy is found in Jesus. We've discovered that Jesus brings joy, invites everyone to belong, wants a relationship with us, and welcomes us to come closer to Him. Now it's your turn to bring those ideas to life! Working as a team, you'll create a short scene that shows what happens when joy is missing- and how it can be found again through friendship, encouragement, inclusion, gratitude, and celebration. Be creative, be dramatic, and most importantly, have fun!

- Award category slips (50 min- enough for every camper)
