TAKE ACTION! Start the Party - Day 1

Props Needed: Take Action clapper, typical Vesper outfit, Playbill

Hello VISTO (hand action) Campers, are you ready to “TAKE ACTION”! (use clapper). We’re so glad you popped onto your wristband!

Today we invite you to pick a favourite song of yours and ask someone or a group of people to dance it out with you. Together, you’re going to get the P-A-R-T-Y! started. (dance here)

Let’s have fun and spread JOY! Oh, and don’t forget to write down the name of the song and who shared this moment with you.

(dancing) See you tomorrow VISTO Campers!!

TAKE ACTION! Start the Party – Day 2

Props Needed: Take Action clapper, phone, Special Guest Button, typical Vesper outfit

Vesper is on the phone with her grandpa, says

Okay, so you’re coming over for dinner! That’s perfect for my surprise... I mean, never mind! See you then!

Hi campers! I was just on the phone with my grandpa, inviting him over for dinner! Then I can give him his Special Guest button. (holds it up)

Just like Jesus made all kinds of people feel joyful, I’m going to make my grandpa feel joyful! Who are you giving your Special Guest button to?

Make sure to tell your crew leader who you gave yours to tomorrow! Have a scooter-ific night, campers. See you tomorrow!

TAKE ACTION! Start the Party Day 3

Props Needed: Take Action clapper, invitation cards, sunglasses, masquerade mask, Playbill, typical Vesper outfit, electric scooter

Vesper is going down the hallway handing out invitation cards to staff.

You're invited and you're invited and you're invited!

Campers, we learned today that everyone is invited to Jesus's party, no matter what! We don't need cool sunglasses (puts them on) "or masks" (holds it up) "to get in!"

Today's Take Action is to learn the name of somebody new! Ask them what they think is special about them and then ask them to sign your Playbill. But make sure to stay with your parents, friends, or another trusted grown-up when talking to people you don't know! Being friendly is great, and being safe is important too!

I'm going scootering with my friends tonight, and I'm going to ask someone there what their name is! I can't wait. See you later, campers! (scooters away)

TAKE ACTION! Start the Party Day 4

Props Needed: Take Action clapper, Playbill, typical Vesper outfit

Hi VISTO campers! It's time to Take Action. Today we learned about the Prodigal Son and how Jesus wants a relationship with us! And there are so many ways we can get to know him better."

I love to get to know my friends in all kinds of different ways! We paint together, scooter together, listen to music, play games... and spending time with Jesus can look like that, too!"

When you're Taking Action today, ask someone at home how they would get to know Jesus! Maybe you can even join them in getting to know Jesus at home tonight.

I'm so excited to see how different people get to know Jesus. Make sure to write it down in your Playbill and bring it back tomorrow – where we're going to have an awesome party! See you tomorrow, campers!

Thank you! Start the Party Day 5
