

JOY | START THE PARTY!

Wrap Up Script | Day 1

HOST: What an amazing first day at VISTO! (Hold out V-shaped fingers)

Does anyone want to share their favourite part of the day? (Take a few answers) Awesome!

Today we stepped into the story of Jesus' birth- and saw how joy showed up in a crazy way that no one expected! A baby, born in a stable.

In your small groups, you started thinking about this question: What makes me feel joyful? God has a plan for our lives that is full of joy, even when things seem crazy.

Got some joy to share? Share it everywhere!

Remember your Take Action? (cue "Take Action")

Tonight, you're going to pick a favourite song and invite someone to join you - in starting the dance party and sharing joy!

Don't forget to write down the song and who you shared that moment with in your Playbill.

We're just getting started... and this week is going to be full of joy.

We're building toward something really exciting this week... and you are all part of it. On Friday, we will all have a chance to share our songs and dances with our families during our Showcase (jazz hands)! It's going to be a very special day where we can share all that we've been learning this week. Plus, there will be a BBQ with drinks, hotdogs, and chips that your grown-ups can order for you before Friday!

Before we go—let's get up and do our camp dance together!

(Do camp dance)

See you tomorrow, campers!
