

JOY | START THE PARTY!

Wrap Up Script | Day 2

HOST: What a great day, VISTO campers!

Today we talked about how Jesus brought joy to those around him by comforting them, providing them, and loving them. His joy is for everyone, no matter what!

We can also help others to be joyful by doing the same things Jesus did; caring for and loving others!

In your small groups, you explored this question: Who makes you feel joyful and loved?

Let's take a quick moment- stand up! Turn to someone near you and share one moment from today you enjoyed. (quick share)

Amazing. **Got some joy to share? Share it everywhere!**

Does anyone remember our Take Action for today? (clap motion)

That's right! Tonight, invite someone who makes you feel joyful to a mini party, and give them the "special guest" button you made! Let them know what things they do that make you feel joyful and loved.

Bring your Playbill back tomorrow and be ready to share your experience with your crew leader.

You're doing such a great job diving into this week.

Let's wrap up together with our camp song!

(Sing camp song)

See you tomorrow!
