

JOY | START THE PARTY!

Wrap Up Script | Day 3

HOST: Did you have a fun day at VISTO?! (Hold out V-shaped fingers)

Today we learned something powerful – that Jesus invites everyone to know him and experience his love and joy, no matter what they’ve done or what people say about them.

In your small groups, you explored: Why does Jesus want me at his party?

God made each of us uniquely, and he wants each one of us to live a life with him and the joy that he brings.

I think that deserves a little celebration - everybody up, quick dance party!

Amazing.

What’s our Take Action for today? (clap motion) Does anyone remember?

Yes! Tonight, learn the name of someone new! Ask them what is special about them and make sure to get them to sign their name in your Playbill!

Remember, just like Jesus invited everyone in, we can also invite people in by learning their names and welcoming them!

Our last note for today... does anyone remember what happens on Friday? Showcase (jazz hands) and our BBQ! We’re going to show all of our friends and family what we’ve been learning this week! And the BBQ will be a great time to enjoy some food with your loved ones, so ask your grown-ups to order you hotdogs, drinks and chips before Friday.

Let’s do our camp dance to finish off the day.

See you tomorrow, superstars!
