**Song: Born Ready by Dove Cameron**

**Narrator 1:** Welcome to Superhero Flight School!

**Narrator 2:** Today is the big test- many of our superheroes are taking their first flights!

**Narrator 1:** The heroes are ready!

**Narrator 2:** Well... almost all of them

**Scared Superhero:** What if I can't do it? Or worse- what if I do it and fall out of the sky?!!!

**Coach 1:** Relax buddy. You were born ready! Your purpose is waiting- you just have to take that first step

**Scared Superhero:** I don't know...

**Coach 2:** Don't be nervous! Everyone here has a purpose, and today yours will be to learn how to fly and how you can help others!

**Superhero 1:** I was born to solve problems, so that's why I fix technical gadgets!

**Superhero 2:** I can run really, really fast. Like this!! But, I still had to run my first race!

**Superhero 3:** I can talk to animals, like birds! Even they fall before flying!

**Superhero 4:** I grow plants, but it takes time!

**Superhero 5:** Even superhero's feel scared, and that's okay!

**Superhero 6:** Your courage will help others to be brave and face their fears.

**Scared Superhero:** You know what? You're right! What's the harm in trying??

Scared superhero takes flight for a moment or two, flying around the stage and the audience.

**GO THE DISTANCE!**

**He inspires other people to start flying, and there is a small flying sequence around the gym to the song “Holding Out For A Hero”. They then touch down.**

**Superhero 7:** Wow, that was AWESOME!!

**Superhero 8:** Yeah! You helped us to feel brave too!

**Superhero 9:** When we encourage others to do hard things, we can achieve bigger things than we could ever imagine!

**Coach:** Your purpose is even bigger than you think, you just have to face your fears to find it!

**GO THE DISTANCE!**
