

TAKE ACTION SCRIPT | DAY 1

Supplies

- video game device

VERA

Camera zooms in on VERA playing a video game. She calls to someone who is off in the distance. “Be right back!”

She walks up to the camera.

Hello, VISTO Campers. Do you like to play video games? I’m helping my cousin get to the next level in their video game. They’ve been working all week to beat this next level.

That’s what I wrote in my Playbill for today’s Take Action. (Make arm clapping motion for Take Action)

I’m helping my cousin get to the next level in their video game.

What are you doing tonight to make a difference?

Put a checkmark in the box once you completed it. Bring your Playbill back to VISTO tomorrow and tell your Crew Leader about the thing you did.

See you tomorrow at VISTO. Goodbye!

TAKE ACTION SCRIPT | DAY 2

Supplies

- VERA's Playbill

VERA

Hi, there, VISTO Campers! How was your day?

What made your day great? Was there anything about today that maybe frustrated you?

(Ask these questions each time changing the camera angle.)

VERA leans in close to the camera and whispers, "Did you do your Take Action for today? Did you ask someone in your family: How was your day?"

Maybe you can call or text a friend or a cousin who isn't at VISTO and ask them "How was your day?"

Ask. Then listen. Ask them questions about what in their day made them happy or what was frustrating. Show them you care by listening well.

Inside your Playbill, circle the emoji circle the emoji that matches how they felt about their day. Bring it back tomorrow to show your Crew Leader.

Today we learned about being a strong leader. Strong leaders care about others in simple ways like asking them about their day and listening well to what they say.

You are the best. See you tomorrow.

Bye!

TAKE ACTION SCRIPT | DAY 3

Supplies

- VERA's Take Action object

VERA

Hey there, Campers! Have you ever had to make a tough decision?

There was a time when I didn't know what to do. This (show object) reminds me of the wise choice I made! ...Tell story... but, my mom, dad, whomever helped me. This Bible verse meant a lot to me.....

Your Take Action (insert Take Action motion) is to bring in something from home that represents a wise choice that you already made. Share it with your Crew Leader and tell them how you know it was a wise choice to make.

Trust me! Don't forget this Take Action! You're going to do something extraordinary with this object at VISTO tomorrow. We have a plaaan!

Bye, everyone!

Take Action Script | Day 4

Supplies:

- VERA is Sitting In Her Bed

VERA:

Hello, Campers!

It's time to pray. I want to ask God for help with _____.

I am so happy that God is our helper and that we can talk to Him. He hears us when we pray.

That's your Take Action for today. (insert Take Action motion) Pray!

Bring your Playbill back tomorrow and share with your Crew Leader if you prayed to God for help. This is so awesome to think our entire VISTO Camp is doing this together today!

See you tomorrow, Campers. Bye!

Camera zooms out as VERA bows her head to pray.
