

WRAP UP SCRIPT | DAY 1

Host:

What an amazing day at VISTO's GO THE DISTANCE! (Hold out V-shaped fingers. Wait for a response from the Campers) where....

Who had fun learning about your purpose and how your life is so special? You are important. Your life matters. You each have important assignments or things to do in your family, your school, on your sports team, in the community, and in the world.

Remember your TAKE ACTION. Take the stage and live the change!

Make arm clap motion for Take Action

I love seeing what you wrote on your clocks during Small Group today. You will be making a big difference as you go home with all the things you plan to do to Take Action and live out what you've learned. I'm so proud of you, Campers.

Be sure to write a check mark in the box when you complete your "thing". Bring your Playbill back to VISTO tomorrow and tell your Crew Leader about what you did! and you know what? We want to celebrate what you've done - surprise time tomorrow morning!

Let's talk about Friday's VISTO Showcase (Jazz hands)

For VISTO Showcase, we are going to share with our audience - your family and friends, the songs, dances, and plays you are learning this week. We'll have lights, mics and incredible moments performing together. It is magical!

And just so you. know...you won't be doing Showcase alone. We are all together as one theatre company.

Before the Showcase, we get to eat hotdogs! The best VISTO dogs you've ever tasted. Your family and friends get to eat with us too. Remind them to sign up! Can you do that?

See you tomorrow, Campers!
