

WRAP UP SCRIPT | DAY 2

HOST: What an amazing day at VISTO!

Hold out V-shaped fingers. Wait for a response from the Campers

Do a jumping jack if you had fun learning about how Esther was a strong leader who helped save her people.

Do another jumping jack if you had fun playing the Golden Scepter Freeze Tag.

Do a third jumping jack if you want to become a strong leader?

Remember your Take Action for today. (cue clapping motion for Take Action). Today we are going to practise being a leader by asking someone in our family how their day was.

Then be sure to listen to what they have to say. You will make them feel special when you truly listen.

Inside your Playbill, circle that emoji circle that matches how they felt about their day. No matter what kind of day it was - how did they feel about it!?

Bring your Playbill back tomorrow to show your Crew Leader.

One more thing, our VISTO Showcase (jazz hands) and BBQ are coming up on Friday!

Please invite your family and friends! Remind them to sign up for their tasty hotdogs and drinks and include your order too!

See you tomorrow, Campers!

Sing camp song together.

GO THE DISTANCE!
