

# WRAP UP SCRIPT | DAY 3

## HOST:

What an amazing day at VISTO!

Hold out V-shaped fingers.

Who makes wise choices?

Give yourself a cheer because making wise choices helps us live a purposeful life.

Remember your Take Action. (insert Take Action motion)

We ask that you bring in something from home tomorrow that represents a wise choice that you already made.

Trust us, you don't want to forget this Take Action item! We're going to do something extraordinary with this object and it's going to be funny, interesting and full of Razz-a-ma-tazz! So, bring an object - take the stage, live the change and Take Action!

What's happening Friday?! Showcase (jazz hands) and BBQ!

When your family and friends arrive, you will get your hotdog and drink with them, and eat together. Remind them to sign up for their VISTO hotdogs, snacks and drinks!

See you tomorrow, Campers!

Sing camp song together.

**GO THE DISTANCE!**
