- Add some eyebrows to your sock puppet with glitter glue- do they have big or small eyebrows?
- Add a mouth to your puppet using red and/or pink felt- what colour is it? Is it long or short? Big or small?

- Add a nose to your sock puppet with a pom pom- do they have 2 nostrils, or only one? How big is their nose?
- Think about something that you can add to your puppet to make it look more like your character. Does it have a cowboy hat? Does it have a little tail? Use some red/pink felt, pipe cleaners, or glitter glue to make your character come to life!
