- Surprise VERA Component in Small Group – VERA shows up in banana costume to drop off fruit baskets “I brought you Fruits of the Spirit to sweeten up your life.”

### Digging Deeper

This morning, VERA wanted to win the Super Star Citizen of Woodstock award. The award was looking for people who show kindness, love, care, giving, and helping.

- Anyone ever win an award for being kind, a good friend, or being a helper?
- Tell us how you have shown kindness, love, care, generosity, or a helping hand to someone lately.

This reminds me of what the Bible calls the Fruits of the Spirit.

- Who likes to eat fruit? What are your favorite fruits? (Let the Campers share)
- Did you know that you can have fruit in your life?

Think if a cucumber plant. It starts with a seed in the ground. With good soil, water, and sunshine it sprouts and grows a tall plant. The plant grows flowers that become fruit.

Yummy cucumbers! We are learning and growing. But we don't grow cucumbers.

## GOD MADE ME AMAZING AND WONDERFUL

Here in the Bible, it says the fruit that should grow in our lives is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Galatians 5:22-23

When you have these fruits in your life, you become more like Jesus.

### Fruit Basket Activity

Invite campers to unfold the fruit one at a time.

#### Love

The fruit of love means to like and care for others very much. You think of them as more important than yourself

Does that mean when I share the last piece of chocolate cake with my sister, I show her love?

#### Joy

The fruit of joy means to stay happy and content even if things don't go your way

Does joy mean that even if it's finally video game time and your device battery is dead, you can still be happy?

#### Peace

The fruit of peace means to feel calm and not worried. Peace also means a time of no war

What is something we may feel worried about?  
God can help us to feel calm and at peace about that.

#### Patience

The fruit of patience means to be able to wait even if the wait feels long

What has been something you have had to wait for?  
Was it hard to stay patient?

# SMALL GROUP | DAY 3

## GOD MADE ME AMAZING AND WONDERFUL

### Fruit Basket Activity

#### Kindness

The fruit of kindness means to be friendly, generous, and thoughtful of others

We all like friends who are kind, right?

#### Goodness

The fruit of goodness means to be have good morals or wanting to do right.

Does this means telling the truth even if we might get into trouble?

#### Faithfulness

The fruit of faithfulness means to be trustworthy or loyal. Someone who is faithful can be counted on to do what they say they will do

Keeping our word is so important. People trust us when we are faithful and do what we say we will do.

#### Gentleness

The fruit of gentleness means to be kind, tender, patient toward others, not pushing or rough

#### Self-Control

The fruit of self-control means to be in control of your emotions, words, actions

Someone who is self-controlled understands when it is time to talk, time to listen, and time to let others share.

Now when you hear Fruits of the Spirit, remember that we should all have love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control growing in our lives!

Let's test how well you have these fruits in your life by playing Twister!

You feel super impatient when the food at a restaurant takes a long time to come.	You are super hungry! Dinner isn't ready. You ask Mom how you can help with dinner.
A classmate says something mean about you. You trip them in gym class so they fall on their face and everyone laughs.	A classmate misplaced their story book. You show kindness by lending them your book.
It's math class and you listen quietly as your teacher explains fractions.	You know you should be faithful to brush your teeth so you don't get any cavities, but you want to eat Smarties in bed. You skip brushing your teeth.
Mom is planning a surprise party. She asks you to keep it a secret, but you whisper the details to friends.	Dad counts on you to set out the garbage on garbage day. You don't feel like doing it, so you pretend you forgot.
A friend's dog died and you feel so sad for her. You show gentleness by sitting with her at recess while everyone else plays.	Your sports team won a pizza party for best team spirit. You only like pepperoni pizza so you skip to the front of the line. You fill you plate with four pieces.
It's time for pumpkin pie, and you grab the biggest piece for yourself.	Mom just made chocolate chip cookies. You forget about self-control and eat four cookies when she's not looking.

# SMALL GROUP | DAY 3

## GOD MADE ME AMAZING AND WONDERFUL

Remember the importance of building trust. Being transparent as a leader builds trust and creates vulnerability.

- Ever said mean words to others?

When you belong to Jesus, you choose to speak kind words.

- Ever hit your sibling?

When you belong to Jesus, you respect them and don't get into fights.

- Ever told a lie to avoid getting into trouble?

When you belong to Jesus, you want to speak the truth.

- Ever try to be funny by telling a joke, but it actually hurts someone's feelings or embarrasses them?

When you belong to Jesus, you love others and think of them as more important than yourself.

Having the Fruit of the Spirit in our lives – isn't easy. Sometimes we get upset and say mean words and tell lies. That's ok; ask for forgiveness.

But, as we remember that we are amazing and wonderful, made by God, we remember that we are created for a purpose with important things to do.

We can ask God for help and the Fruit of the Spirit will become part of who we are.

We will want to be kind and caring to others.

### Deeper Questions

- What Fruits of the Spirit do you already have in your life?
- What Fruits of the Spirit do you want more of in your life?

Crew Leaders share your answers to encourage the Campers to do the same

### Prayer

Dear God, we want to become more like You. Help us to choose love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control at home, at school, with our friends, and in our sports and activities.
