

YOU'LL ALWAYS FIND YOUR WAY BACK HOME

By: Hannah Montana

You wake up, it's raining and it's
Monday
Looks like one of those rough days
Time's up, you're late again so get
out the door
Sometimes you feel like running
Find a whole new life and jump in
Let go, get up and hit the dance
floor
But when the lights go down it's the
ending of the show
And you're feeling like you got
nowhere to go
Don't you know?

You can change your hair and you
can change your clothes
You can change your mind, that's
just the way it goes
You can say goodbye and you can
say hello
But you'll always find your way back
home
You can change your style, you can
change your jeans
You can learn to fly and you can
chase your dreams
You can laugh and cry but
everybody knows
You'll always find your way back
home

Your best friends, your little
hometown
Are waiting up wherever you go now
You know that you can always turn
around
'Cause this world is big and it's crazy
And this girl is thinking that maybe

This life is what some people dream
about
'Cause when I'm feeling down and
I'm all alone
I've always got a place where I can
go
'Cause I know

You can change your hair and you
can change your clothes
You can change your mind, that's
just the way it goes
You can say goodbye and you can
say hello
But you'll always find your way back
home
You can change your style, you can
change your jeans
You can learn to fly and you can
chase your dreams
You can laugh and cry but
everybody knows
You'll always find your way back

You can change your hair and you
can change your clothes
You can change your mind, that's
just the way it goes
You can say goodbye and you can
say hello
But you'll always find your way back
home
