DESIGN
YOUR OWN
TOY

Popular in kindergartens across Germany
"Young children love PolyM. The soft, round-edged blocks are machine washable and completely safe, which is very important to me as a teacher. This is one educational toy that I can recommend to everyone."

Karola E. Kindergarten Specialist

BUILDING CHALLENGE

DIFFICULTY: ★

For 1 star, grasp and touch to sense materials, observe and explore to spark curiosity.

BUILDING CHALLENGE

DIFFICULTY: ★★

For 2 star, develop motor skills, hand-eye coordination, pattern recognition, and spatial awareness.
