HAAND

WWW.HAAND.US

Haand's products and manufacturing are influenced in equal parts by craftspeople and industry. Haand produces dinnerware at volume, yet each piece is touched by our makers' hands as it moves from concept to table, from minerals and water to durable and high performance ceramics. Our workshop is located in Burlington, NC. We know that an object made with care, intention, and love will shine when placed next to a similar mass-produced object.
