The screenshot displays the 'Bin collection day' page for Redland City Council. At the top, it shows the navigation path: Home > Waste and recycling > Bin and collections > Bin collection day. The page title is 'Bin collection day'. Below the title, the Redland City Council logo is on the left, and the address '14 Amanda Street Cleveland' and collection day 'Your bins are collected on Wednesdays' are on the right. There are buttons for 'Search Q...', 'Print', and 'More info'. The main content is a 12-month calendar for 2024, with months from January to December. Each month's calendar shows days of the week (Su, Mo, Tu, We, Th, Fr, Sa) and dates. Days are color-coded: red for General Waste, yellow for Recycle, green for Green Waste, purple for Special Events, and blue for Clean Up. A legend at the bottom identifies these colors. The calendar shows that bins are collected on Wednesdays, with some dates highlighted in red, yellow, green, or purple.
