Please prepare food for **80 teens and adult volunteers** (provide a gluten-free option for 5 people.)

The evening meal for Life Teen and Edge begins at 5:30pm and ends at 6:00pm

(unless students are late from sports practices)

A \$25 charge account is available for families at Country Market to help defray the cost of the meal.

Please tell them you are charging for "Life Teen & Edge" and write your name clearly on the charge ticket. Because of the generosity of a donor, there is also ground beef for your use, if you would like, in the freezer at St. Joseph's Center. Renee Leibel will be there to assist you in the kitchen and with cleanup. If you are unable to prepare and serve the meal for the assigned evening, please make arrangements to switch with another family or find a replacement.

THANK YOU for helping with these meals as it is a time of fellowship and an important part of our formation for our middle school and high school teens. If you have questions, please contact Connie Haack (290-2234) as she is coordinating the meal schedule for us again this year.

She will also give you a courtesy call on Sunday before your turn as a reminder.

Praise be Jesus Christ! Now and forever!
