ARRANGEMENTS FOR INTERMENT/CREMATION/SHIPMENT

General Price List Effective January 18, 2023

(Prices and Fees subject to change without notice.)

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our Basic Fee for Services, be identified. In all categories of service, a Basic Fee will be charged, plus a fee for each requested or required item of service. Please feel free to express yourself to our counselor. We will make every effort to meet your needs.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our Basic Services of Funeral Director and Staff. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of the Funeral Director, Staff and Overhead: This is a basic fee that we charge every family for our professional expertise in assisting them with their preferences. It includes a proportionate share of the taxes, licences, utilities and business expenses required to serve the public. Our charge includes, but is not limited to, consultation with the family, administrative and clerical services, preparation of the death certificate for certification by the attending physician or coroner, necessary permits, filing the death certificate with appropriate agencies, consultation with clergy, cemetery, crematory or common carrier, assistance with insurance papers, planning the funeral or memorial service, placement of obituary notices. There will be a charge for each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you selected. **(This fee is already included in our charges for direct cremations, immediate burial, and forwarding or receiving remains.)**
