This application is in three steps: check that you are eligible, gather everything on the checklist, then complete the form. If you need more space for any answer, use the Addendum Page at the end and write the item number next to your answer.

1 — Are you eligible?

You can apply if ALL four statements below are true for you. Check each box as you confirm it.

- ☐ **You are a graduating high school senior.**
- ☐ **Your cumulative GPA is 2.50 or higher.** GPA = grade point average, as shown on your transcript.
- ☐ **You intend to enroll full-time.** At a college, vocational school, or technical school.
- ☐ **You will submit everything by March 31, 2027.** Late applications cannot be considered.

If you are not sure about your GPA or full-time status, ask your school counselor before you apply.

2 — What to submit

Submit the completed application form together with every item below. Items marked ★ must be attached — an application without them will not be considered.

☐	Item	What is needed
☐	**1 — Application form**	Complete every item (1–15) on pages 2–3. Use the Addendum Page if you need more space, and write the item number beside the extra answer.
☐	**2 ★ — Two letters of recommendation**	Not from relatives. (a) One personal reference from someone in the community — for example a mentor, pastor, coach, or employer. (b) One academic reference from a teacher or school administrator. Ask each writer to include your relevant leadership experience.
☐	**3 ★ — Official high school transcript**	Ask your school for the official copy — not a printout of your grades.
☐	**4 ★ — Biographical sketch**	Typed, one page maximum. Tell your story and include your future career plans.
☐	**5 — College acceptance letter(s)**	A copy of the acceptance letter for each school that has accepted you.
☐	**6 ★ — Yearbook-style photo**	Professional attire only. The photo will not be returned, so do not send an original you need back.

How to complete the form

- Type your answers, or print them neatly in ink.
- Answer every item. If an item does not apply to you, write “N/A.” Do not leave it blank.
- Double-check names, phone numbers, and dates before you sign page 3.
