Weddell Sea - Basecamp

The Weddell Sea Basecamp voyage offers you a myriad of ways to explore and enjoy the wildlife-rich Weddell Sea. During this expedition in one of the most remote regions of the world, we will do all kinds of activities such as kayaking, snowshoeing, hiking, a photography workshop and if conditions allow even camp out under the Southern Polar skies. This trip is a true expedition for the real adventurers.

m/v Hondius

Length : 107.6 meters
