## Remote Weddell Sea Explorer - incl. helicopters

This adventurous expedition explores one of the least-visited areas on Earth, Antarctica's amazing Weddell Sea. During our visit to South Georgia, we may have the opportunity to visit sites closely associated with the life and legend of Sir Ernest Shackleton, including Stromness, Fortuna Bay, and his grave in Grytviken. Then, it's onwards to the mighty Weddell Sea, where iconic wildlife such as the beautiful emperor penguin and colossal tabular icebergs await.
