## In Stock Price \$98,668

One of the most versatile boats you will come across the Eclipse can seat 8 people and is a multi-sport performance boat that is perfect for skiing, wakeboarding & social boating. Powered by a Mercrusier 6.2L MPI engine with unparalleled torque and acceleration it will get you on the plane quickly & smoothly.

A spacious and comfortable boat with lots of room to move around in, the walkways alongside the mid-mount engine are wide so maneuverability is a breeze. The bow section provides plenty of room for two adults to stretch out and relax.

The Eclipse offers a ride that is high & dry. Featuring a large rear storage locker, side pockets, in-built Esky and a lengthy storage unit behind the observer's seat, there is plenty of room for all of your wakeboards, water ski's, life vest's & ropes.
